WHAT WE HELP WITH

Bring us *your list.*

01 **Passwords**
One safe place for every password.

02 **Scams**
Fewer strangers. Someone to ask first.

03 **Phones, tablets and computers**
Set up the way you use them.

04 **TV, Wi-Fi and printers**
The things that should just work.

05 **Bills and paperwork**
Organized, searchable, on time.

06 **Health and safety**
Portals, reminders and video visits.

07 **Family and photos**
Closer to the people you miss.

08 **Around the house**
Guides for your own appliances.

09 **A friendly start with AI**
An assistant that reads the fine print.

10 **In case of emergency**
So family is never locked out.

PRICES

Plain prices. *No surprises.*

A House Call
$175

One visit, up to 90 minutes.

BEST PLACE TO START

Safe and Simple
$695

Everything set right, in two visits.

The Binder
$495

Your accounts and papers, in order.

The Family Plan
$89 a month

Someone to call, all year.

In person in North Brooklyn and Vermont's Upper Valley. By phone everywhere else.

OUR PROMISES

1. We never keep your passwords.
2. We never move your money.
3. We never sell you equipment.
4. The same person every time.

An app made for *exactly one person.*

Most apps have forty buttons. We build small ones with only the buttons you need, and no password. From $900.

Far from mom or dad? *We are close.*

Your parent gets one patient person to call. You get a short note each month.

My mother lives in Vermont and I live in Brooklyn, so I built her a one-page iPad app with no password. When you call, you get me.
